THE ALPHA REPORT

Beste ouers, vriende en ondersteuners van Ferdies

Soos wat die jaar stadigaan begin voorberei vir ‘n heerlike lenteseisoen, begin ‘n mens weer na te dink oor die verloop van ons skooljaar. Elke seisoen het immers sy eie ritme en betekenis. Alvorens ons ’n nuwe seisoen met verwagting kan begroet, moet ons eers die vorige een behoorlik afsluit.

Vir ons matrikulante was die sprokiesmooi matriekfunksie ’n besondere hoogtepunt en ook ’n simboliese afsluiting van hul formele kurrikulumjaar. Daarmee breek ’n nuwe en belangrike seisoen aan - ’n Tyd van intensiewe voorbereiding vir die belangrike rekord- en eindjaareksamen. Ek wens elkeen van ons matrikulante alle voorspoed met hierdie voorbereiding toe. Ek het volle vertroue dat hulle, soos die matrikulante van vorige jare, doelgerig en met toewyding sal voorberei en studeer.

Die matrieknaweekkampe is reeds in volle swang en word met groot sukses deur ons eie matrikulante, sowel as matrikulante van ander skole, bygewoon. ’n Hartlike dankie aan ons kundige personeel wat hierdie kampe met soveel toewyding organiseer en aanbied. Julle kundigheid, tyd en bereidwilligheid maak ’n besondere verskil in ons leerders se voorbereiding en ontwikkeling.

Intussen is die toetsdae vir die res van die grade ook volstoom aan die gang en word ons akademiese tyd maksimaal benut. Baie sterkte met die kwartaaltoetse. Werk hard en berei goed voor. Dit maak die pad na akademiese sukses net soveel makliker.

Tog is die skoollewe veel meer as net akademiese prestasie. Tussendeur die akademiese program vind daar ook krieket, toneel, debat, fietsry, boogskiet, Fast 5-netbal, sewesrugby en talle ander aktiwiteite plaas.

Dít is juis wat ons skool so besonders en uniek maak. Ons bied aan elke leerder geleenthede om holisties te groei, nuwe talente te ontdek, uitdagings aan te pak en met groot vreugde ook buite die klaskamer te ontwikkel. Mag ons leerders elke dag hierdie geleenthede met ope arms aangryp en die beste daarvan maak.

Aan ons besonderse Ferdies-personeel: baie dankie vir die ekstra myle wat julle daagliks stap om ons leerders hierdie waardevolle groeigeleenthede te bied. Niks is ooit vir julle te veel moeite nie, en dit is ongelooflik verblydend om te sien met hoeveel entoesiasme, passie en toewyding julle jul roeping uitleef. Julle maak ’n blywende verskil in die lewens van ons leerders.

Aan al ons ouers en die hele Ferdie-gemeenskap: ook aan julle ’n opregte woord van dank vir julle volgehoue ondersteuning, betrokkenheid en vertroue. Ons waardeer elke bydrae, groot en klein, en is opreg dankbaar vir die gemeenskap wat ons saam vorm.

Met waardering en vriendelike groete

THE ALPHA REPORT

Dear parents, friends and supporters of Ferdies

As the year slowly begins to make way for a delightful spring season, one cannot help but reflect on the course of our school year. After all, every season has its own rhythm and significance. Before we can welcome a new season with anticipation, we must first bring the previous one to a proper close.

For our matriculants, the enchanting Matric Farewell was a very special highlight and also a symbolic conclusion to their formal curriculum year. With this, a new and important season begins — a time of intensive preparation for the important record and final examinations. I wish each of our matriculants every success with their preparations. I have every confidence that, like the matriculants of previous years, they will prepare and study with purpose, dedication and commitment.

The matric weekend camps are already in full swing and are being attended with great success by both our own matriculants and matriculants from other schools. A heartfelt thank you to our knowledgeable and dedicated staff who organise and present these camps with such commitment. Your expertise, time and willingness to go the extra mile make a meaningful difference in the preparation and development of our learners.

Meanwhile, the test days for the remaining grades are also well underway, ensuring that our academic time is used to its fullest. Best of luck with the term tests. Work hard and prepare thoroughly — it makes the road to academic success that much easier.

However, school life is about far more than academic achievement alone. Alongside the academic programme, cricket, drama, debating, cycling, archery, Fast 5 netball, sevens rugby and many other activities are also taking place.

This is precisely what makes our school so special and unique. We provide every learner with opportunities to grow holistically, discover new talents, embrace challenges and develop with great enthusiasm beyond the classroom. May our learners seize these opportunities and make the very most of them.

To our exceptional Ferdies staff: thank you for the extra miles you walk each day to provide our learners with these valuable opportunities for growth. Nothing is ever too much trouble for you, and it is truly inspiring to see the enthusiasm, passion and dedication with which you live out your calling. You make a lasting difference in the lives of our learners.

To all our parents and the entire Ferdies community: a sincere word of thanks to you as well - for your continued support, involvement and trust especially. We value every contribution, big or small, and are truly grateful for the wonderful community we build together.

With appreciation and kind regards

Morné Smit
